# Success is Easy with The Dapper Method!

When you put your mind to it there is nothing you can't do. That is why we created The Dapper Method. Follow these clear and simple rules, and before you know it you will be an outstanding player in the world of fanzines, joining *and leading* the ranks of the literate, the successful, the avid (and sometimes rabid) creators of exquisite reading materials. Success is easy!

In other words: pen down a few (more or less relevant) words 3 to 6 times a year. Send those to the OEditor, and in return you will receive the collective works of all participants. Costs are limited to postage and perhaps a little printing and / or copying. Some commitment required.
